

CAPABILITY STATEMENT

FAST Rescue Solutions, LLC excels in developing state-of-the-art emergency response equipment and training. Specializing in rescue, fire, and tactical gear, along with comprehensive training modules, our focus is on continuous innovation to meet the evolving needs of first responders. Our products and services are crafted to ensure practical effectiveness in real-world scenarios, establishing us as a trusted partner for government agencies seeking to enhance their first responder capabilities.

CORE COMPETENCIES

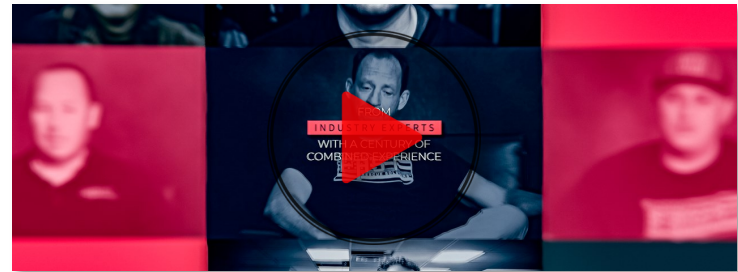

- ★ **Rescue Equipment**
- ★ **Fire Equipment**
- ★ **Tactical Equipment**
- ★ **Training/Lectures:**
 - Basic FAST Board Operations (BFBO) 4hr
 - Firefighter Rescue 4hr
 - FAST Board Rescue Scenarios (FBRs) 4hr
 - "Saving Your Own, FAST" 8hr
 - Firefighter CPR

DIFFERENTIATORS

- ★ The FAST Board ensures rapid rescue operations, with average rescue times under five minutes
- ★ Our subject matter experts have over 100 years of combined experience in firefighting, RIT, technical rescue, law enforcement, and military training
- ★ Through our Fast Cares program, a portion of sales from specialty colored boards is donated to first responder charities
- ★ The multifunctional FAST Shield enhances safety and efficiency in law enforcement, firefighting, and EMS, serving as an entry shield, impact weapon, breaching, and restraint device, with an added ballistic panel
- ★ Rigorous UL Testing, ensuring compliance with NFPA 1983-2012 standards
